F.A.L.C.O.N Association

Vision

Supporting Farmers and Farmers' organisations in their production, marketing, advocacy, innovation & technology and capacity building in agricultural sectors at national and international levels.

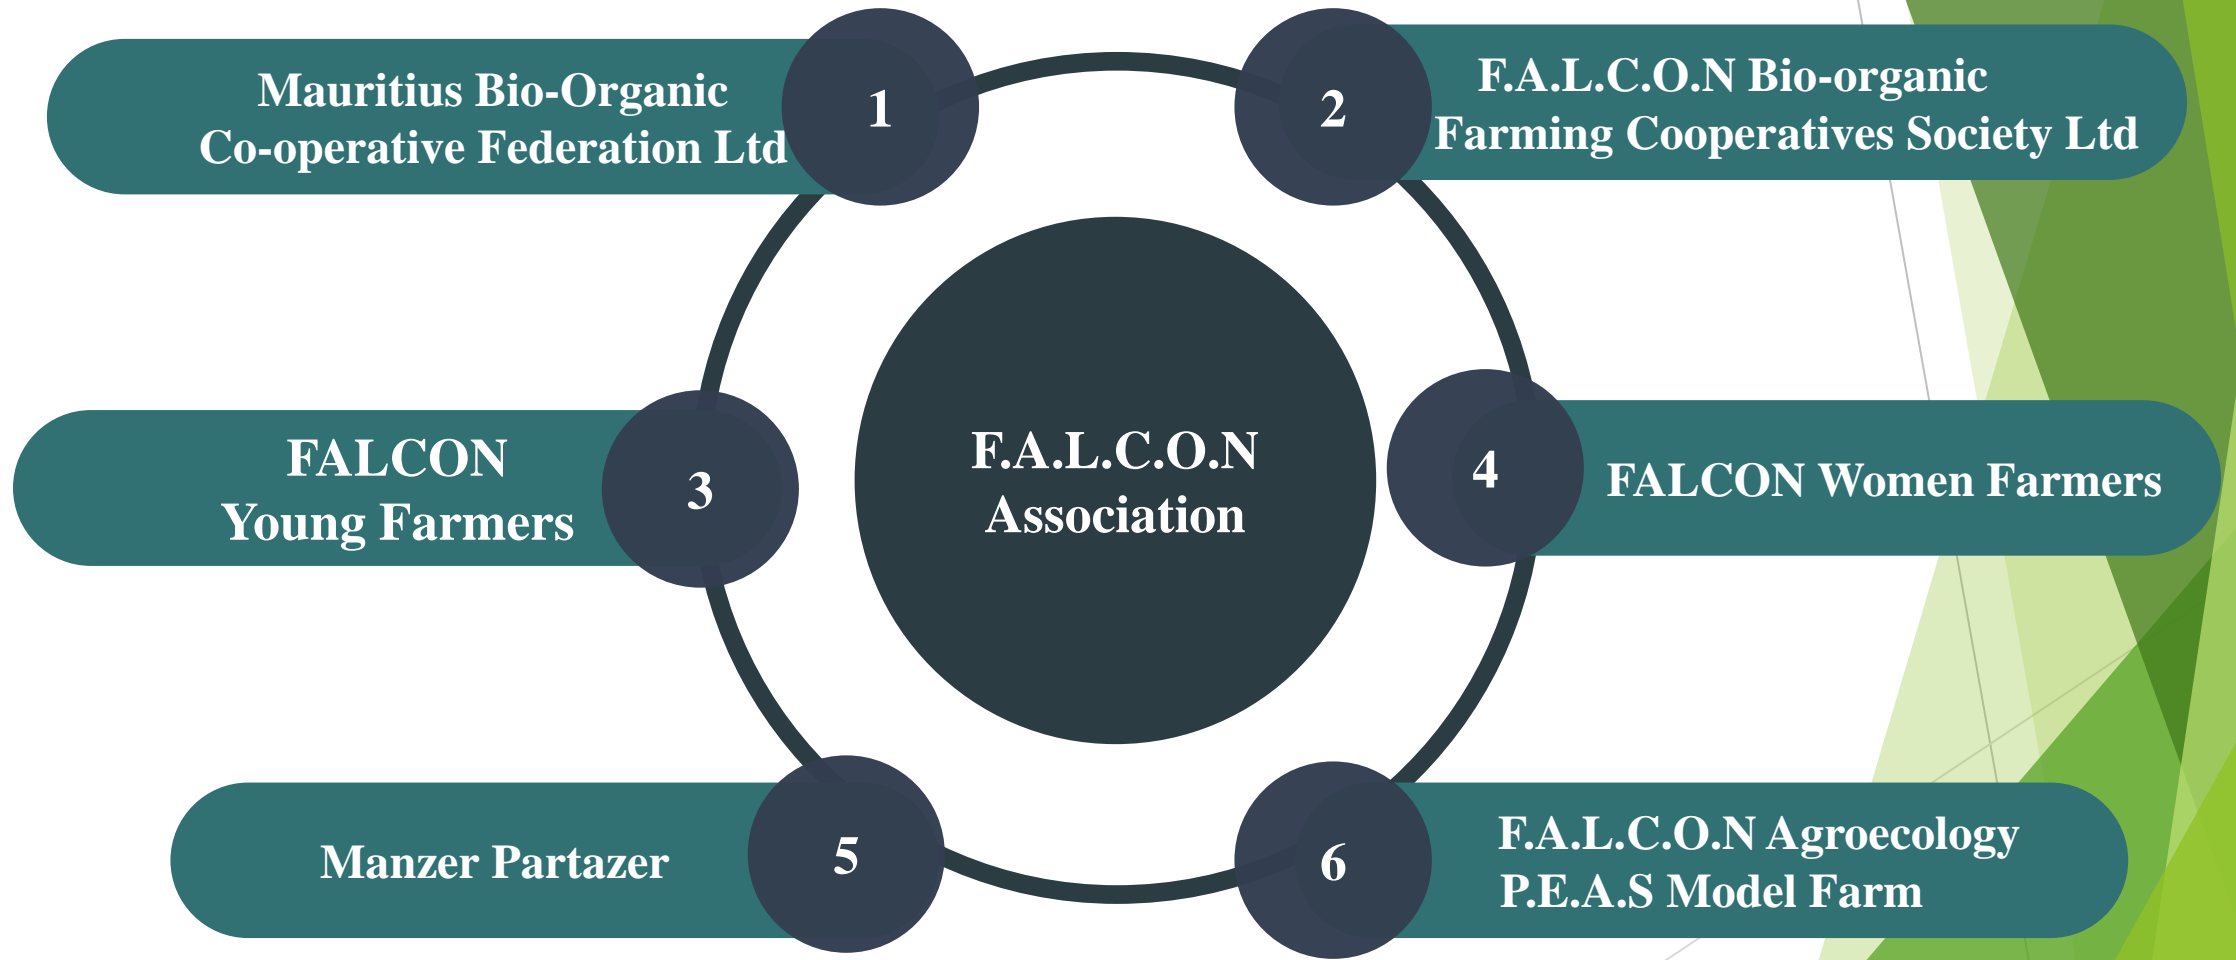

Mission

- ✓ Creation of job for vulnerable people;
- ✓ Campaigns on Climate change;
- ✓ Encourage farming to maintain future food security;
- ✓ To become income generating individuals through social entrepreneur activities.

Core Activities

- ✓ Socio-economic development as a means for poverty alleviation;
- ✓ Educational support and training in agroecological farming & Business cooperatives;
- ✓ Environmental Protection & Sustainable Development.

Working Bodies
